Awarding of the BS Degree	

NOTE: Students may request permission to overload (take 5.0 units) in only one semester during their academic program. To overload, students must have at least a 3.3 cumulative GPA and have completed 8.0 units of coursework at TCNJ.

*writing intensive courses

◇Courses with observation in the field of speech pathology or audiology

Summary

10 courses in the Speech Pathology and Audiology Major _____
9 courses in Liberal Learning _____
1 FYS class _____
3 courses in a language _____
10 elective classes (9 if FYW 102 is needed) _____

Suggestions for Undergraduate Elective courses

DHH105 Programs and Services for D/HH Students & Their Families

LING 201 Introduction to the English Language

DHH 303 Language Development

WLC 215 Introduction to Linguistics

WLC 390 Second Language Acquisition

Undergraduate students can request to take up to 2 graduate courses for undergraduate credit. Students wishing to take a graduate class must meet the College's requirements—a minimum GPA of 3.0, senior status, and permission from the department. Some good choices for Graduate Elective courses include:

DFHH 530 Speech Development

SPED 521 Assistive Technology

SPED 664 Research Trends

SPED 647 Communication Development in Students with Disabilities.

ESLM 597 The Intersection between Culture, Language, and Abilities
